In addition to the three-year seasonal access permit: a valid NYS Sporting License is required for hunting, trapping, falconry, or fishing; a daily access permit is required for all hunting on Rocky Point NRMA and Otis Pike Preserve during November and December; and a daily access permit is required for hunting on all applicable properties during the special January firearm deer season. Children under 12 do not require a seasonal access permit if accompanied by an adult with a seasonal permit. Seasonal access permits are valid for 3 years. Submit this application and a self-addressed, #10 business envelope with \$1.00 postage on it to : NYS DEC - Access Permits , 50 Circle Road, Stony Brook NY 11790-2356. October 2007
